

A thank you to our sponsors!

The Newport Breakers Rugby Club would like to thank our sponsors for their continued financial support. The Breakers Committee and Players know that our success on and off the rugby field would not be possible without our sponsors and we would urge all players and supporters of the Newport Breakers to support these fine local businesses.

Take some time to browse our [Sponsors](#) page and the links on our website to find out more about these great supporters of the Newport Breakers.

Free Pittwater RSL membership

As part of Pittwater RSL's fantastic sponsorship and support of the Breakers in 2008, any player who signs up for a Pittwater RSL membership **through the rugby club** will have the membership fee waived!

See Chuggers for the application form at the next training session or trial match!

Colts wanted!

The Newport Breakers are actively seeking to recruit Colts (players aged 21 years or under in 2008) to the club for the 2008 season. The Newport Breakers are aiming to win the Division 2 Club Championship and improve on their impressive 2007 season and the Colts will be an integral part in that success.

The Colts will play in the Division 2 Robertson Cup Colts competition against the other Division 2 Colts sides.

So gather a group of mates together and come on down to training at Porters Reserve (Wednesday nights from 6.30) and help make the Newport Breakers the strongest Suburban rugby club in Sydney.

For more information, click [here](#) to download a copy of the Colts Recruitment flyer or contact James Roberts on 0420 969 105 (email - jamesfroberts@hotmail.com).

New players & coaches wanted!

Are you not quite young enough to run around with our Colts side this year? Have you hung up the boots but want to try your hand at coaching a side in the best suburban rugby club in Sydney? New players & coaches are always wanted and welcome down at Newport, so come down to pre-season training and join the Breakers.

Any new player or coach who wishes to join the club in 2008 and wants further information should contact the Breakers' Coaching Director Clive 'Chuggers' Nettleton on 0414 973 191.

New Breakers babe!

First grade Breakers half-back Matt Lloyd and his wife Jess are proud to announce the birth of their first child - Indiana Harper Lloyd! Indiana was born on 20 February at 12.04am and weighed in at 7lb 1oz. Both Mum and 'Indie' are doing really well and I'm sure they can't wait to get down to the first home game of the 2008 season!

Indiana is also Newport Breakers President Mark Lloyd's first grandchild, so hit him up for a beer when you next see him!

Everyone at the Breakers passes on their regards to Matt, Jess and baby Indie.

President's message

Dear players, supporters, sponsors and rugby fans,

It is with great pleasure that I welcome you to the Newport Breakers 2008 season in my capacity as President of the club.

After the club's successes on the rugby field in 2007 (with all four teams making the finals and the 1st grade team coming so close to regaining the Barraclough Cup), we are really looking to consolidate in 2008, with even better results both on and off the field. Our aim is to re-establish the Newport Breakers as the dominant force in Sydney Suburban club rugby.

This year has brought a major change to our committee and administration, with a fresh outlook and new ideas. The coaching staff is almost finalised, although we still require coaches for 3rd and 4th grade. The strength of these two grades' will be vital to the strength of the club as a whole, so it is imperative that quality coaches are found here. As I alluded to above, after such a good performance last year by the 1st grade side, we are looking forward to Chuggers going that one step further with the first grade premiership in 2008.

Over the last two years, the Broken Breakers have contributed so much to the spirit of the club and what a wonderful asset they have become. In 2008, and as the years roll on, it will be fantastic to see just how big this group of past players and dedicated supporters can become. I know that the players and committee appreciate all of the support the Broken Breakers provides the club.

Our juniors are at their strongest ever and we look forward to having a working and meaningful relationship with our 'biggest asset'.

On behalf of the players, committee and supporters, I would like to thank our existing sponsors for their ongoing commitment and support of the Newport Breakers. And to all those potential sponsors, I look forward to sharing with you the successes of this great club.

Finally, speaking on behalf of the committee, I would like to say that we are here to represent the Newport Rugby community as a whole and we are open to your contributions to making our club successful and enjoyable for generations to come.

Looking forward to a great season,

Mark Lloyd
President
